Although I have already given my authority to the Bank of Danzig to release the aforementioned plot, the bank informs me, by letter of March 9th, 1932, that they have not yet made this release pending the fulfilment of the necessary formalities for the pledging of the plots which are given in its stead.

The Bank of Danzig informs me by its letter of March 9th, 1932, of the acquisition by the municipality of a plot, register of landed property Löblau, page 139, 59,584 sq. m., representing a value of 1,800 Danzig gulden, which—belonging to the plant of the municipal electric works—automatically is included in the entire pledge of 37,500,000 Danzig gulden, granted for the 7% Municipal Loan of 1925.

The Bank of Danzig has continued to give me all the assistance which I have required, and I should like to express to them anew my sincerest thanks.
